AR NOTICE NAP-7

For: All FSA County Offices

Notification of Continuous Coverage for NAP Applicants

Approved by: State Executive Director

1 Overview

A Purpose

No less than 60 calendar days before the first NAP application closing date for the crop year, producers with current crop year NAP coverage must be reminded of the deadline date for payment of the applicable service fee to maintain continuous coverage. Coverage may be continued for each subsequent year for the same crop or crops, if the producer pays the applicable service fee by the subsequent year's application closing date. Producers are not required to sign a new CCC-471 when applying for continuous coverage of the same crop or crops. The first application closing date for Arkansas is September 1.
